Well it finally had to end this better way  
We had no more life to give  
No matter what we said  
Cause I worried every night and slept all day  
I was lying to myself  
Pretending to be someone else

You love me so  
But it's over, Just let me go  
We're goin' nowhere  
I feel like I'm dead but breathing  
I know because my heart is beating  
Just let me go, Cause it's over

So you tried to work it out and get some help  
You'd been foolin' everyone  
But I know what's goin' on  
I can't hold your hand through this again  
We keep lying to ourselves  
Pretending to be something else

You love me so  
But it's over, Just let me go  
We're goin' nowhere  
I feel like I'm dead but breathing  
I know because my heart is beating  
Just let me go

I'm sorry that I couldn't stay  
To fill your empty space  
It's alright  
You'll be fine  
I know that you'll be better off  
In a different place  
It's alright  
You'll be fine

You love me so  
But it's over, Just let me go  
I feel like I'm dead but breathing  
I know because my heart is beating

You love me so  
But it's over, Just let me go  
We're goin' under  
I feel like I'm dead but breathing  
I know because my heart is beating  
Just let me go, Cause it's over
