Verse 1:

Is it fair to say you played me for a fool?
Is it fair to say you used me that's the truth.
You've been lying all the time and now I'm mad.
You drove me to the vodka shots and knocked them
back.

Chorus:

I'll bet you never thought that I would be a basket case
I'm going crazy cause your hooked on someone
And that someone isn't me
Bet you never thought that I would be the psycho bitch
Like the kinda girl that's gonna smash your headlights
Know that someone isn't me

Verse 2:

Is it fair to say your window hit a rock?
Do you think that I should say it to the cops?
When they ask me where I was the seventeenth
Should I be like you and say it wasn't me?

Chorus:

I'll bet you never thought that I would be a basket case
I'm going crazy cause your hooked on someone
And that someone isn't me
Bet you never thought that I would be the psycho bitch
Like the kinda girl that's gonna smash your headlights
Know that someone isn't me

Bridge:

Does she what do I don't?
Is she beautiful or
Will she go where I wont go?

Nananananananananannanananananana (repeat)

Chorus:

I'll bet you never thought that I would be a basket case
I'm going crazy cause your hooked on someone
And that someone isn't me
Bet you never thought that I would be the psycho bitch
Like the kinda girl that's gonna smash your headlights

Know that someone isn't me

Bet you never thought that I would be a basket case
I'm going crazy cause your hooked on someone
And that someone isn't me
Bet you never thought that I would be the psycho bitch
Like the kinda girl that's gonna smash your headlights
Know that someone isn't me
