I wanna run  
I want to hide  
I wanna tear down the walls  
That hold me inside  
I wanna reach out  
And touch the flame  
Where the streets have no name

Ohhh  
Where the streets have no name  
Ohh  
Where the streets have no name  
Where the streets have no name  
We're still building  
Then burning down love  
Burning down love  
And when I go there  
I go there with you  
It's all I can do

The city's aflood  
And our love turns to rust  
We're beaten and blown by the wind  
Trampled in dust

Oooohhh  
Where the streets have no name...
