Spoken: This is a story about a shy guy
But I can't say his name

I got your picture on the wall
Along with all the other things I treasure
They don't measure up to you

My friends don't understand
What it is that makes you so special to me
The little things that they can't see

Quietly perfect
And totally worth it
If they only knew what I know about you

Mr. Shy Guy, Mr. Nice Guy (Shy Guy)
What am I to do?
I wanna tell you all my secrets
I wanna be with you

Mr. Shy Guy (My Guy) Mr. Nice Guy
Would you believe
I got a crush on you (I got a crush)
Shy Guy(On you)

On you (on You)
Shy Guy (Shy Guy)
Shy Guy

Spoken: Shy guy, you know who you are

Have you ever noticed me?
Is it strange the way I'm always where you are
There's a reason I'm not far
It's coz I'm so in love with you
Not too shy, say it too
Scared to say it to you

Bridge
Quietly perfect and
Totally worth it
If they only knew

What I think about you

Chorus

Mr. Shy Guy, Mr. Nice Guy (ooh)

What am I to do? (what am I to do)
I wanna tell you all my secrets
I wanna be with you (I wanna be with you)
Mr. Shy Guy, Mr. My Guy,
Would you believe I gotta crush
So huge, Shy Guy (so huge)
On you
Do do do (shy huge)
Do do do do do do do do do do do
Do do do (shy guy) Ooh
Do do do do do do do do do do do

Ooh what's behind those big brown eyes
What part of you have you disguised?
I wanna see your everything
Don't hide baby, don't be shy

Chorus

Mr. Shy Guy, Mr. Nice Guy (ooh)
What am I to do? (what am I to do)
I wanna tell you all my secrets
I wanna be with you (I wanna be with you)
Mr. Shy Guy, Mr. My Guy,
Would you believe I gotta crush (I gotta crush)
So huge, Shy Guy (on you)
On you

Mr. Shy Guy, Mr. Nice Guy (shy guy)
What am I to do? (what am I to do)
I wanna tell you all my secrets
I wanna be with you (I wanna be with you)
Mr. Shy Guy, Mr. My Guy,
Would you believe I gotta crush (I gotta crush)
So huge, Shy Guy (on you)
On you
