Empty street of beads of light.  
None spell safety in my sight.  
Lend me a knife,  
Lend me a life,  
So I can make it home tonight.

Chorus:  
Walk through the night-side,  
Walk like a beast.  
Stalk like a caveman,  
Stark rock-bottom changes least.

Stalking down the silent stone,  
Distance, keep me safe alone  
With a ready grip  
On a scrap-iron strip,

Sure as a club of bison bone.

City jungle, yes, it's true.  
That's what cops and robbers do.  
Try to get free,  
That's how to be,  
Strong enough to walk it through.

So come on, junkie, rapist, crook,  
Stop and take another look.  
I'm still alive  
And mean to survive,  
It's all down in Darwin's book.

Stark rock-bottom changes least
