Follow you out of a restless day  
Walking a road where a dream can change  
You caught me there where my mind was lost  
Trying to make sense (trying to make sense)

Show me the world with an open heart  
Looking inside everything you are  
Hold me there where I learn to trust  
Trying to make sense of us (trying to make sense)

You tell me that I'm strong enough  
I want to run away  
I want to fly into your arms and never leave the sun  
Oh I, I will never leave the sun

Somewhere between wanting to believe  
And taking a chance that you promise me  
Somewhere between every morning dawn  
And giving in to love

You tell me that I'm strong enough  
I wanna run away  
I want to fly into your arms and never leave the sun  
Oh I, I will never leave the sun

Never gonna leave the sun  
Tell me

You tell me that I'm strong enough  
I'm never gonna leave the sun  
I wanna fly into your arms  
I'm never gonna leave the sun

You tell me that I'm strong enough  
I wanna run away  
I wanna fly into your arms and never leave the sun  
Oh I, I will never leave the sun

You tell me that I'm strong enough  
I'm never gonna leave the sun  
I'm never gonna leave the sun
