(Verse 1)

And I look in her eyes
And see that she's wiser than me
And who could it be that
Time's moving faster
And spring has come at last
I'm free from the past

(Bridge)

Do you know where I've been, my dear?

(Chorus)

I cry a little
But we're the lucky ones
And change is good for me
I'm hoping to receive
This care you've given me to,
fly out in the wind
Violet

(Verse 2)

And she's talking gently
She recognizes me
And understands that
I'm writing the pages
Oh, yes I am
As the days come along

Do you know where I've been, my dear?

I cry a little
But we're the lucky ones
And change is good for me
I'm hoping to receive
This care you've given me to,
fly out in the wind
And fly out in the wind
Violet

(Bridge)

Violet...

I let her

Thank you my angel
Only you take away
All of the pain

(Chorus x2)

And fly out in the winds
And fly out in the wind
Violet
