I've been in the basement  
Groping for the light  
But it just goes to show me  
I walk by faith and not by sight

But now I feel  
The walls are closin' in  
The dark is blacker  
Than it's ever been, Lord

You've got to bring me through  
'Cause there's nothing more I can do  
You've got to bring me through  
I leavin' it up to you

Bring me through, I've done all I can do  
You've got to bring me through  
I need you to bring me through  
I need you to bring me through

Yeah, deep inside I'm bleeding  
Will nothing ease the pain  
Aching memories beating like  
A cold pulsating rain

The more I try to fight  
The more I fail  
Condemnation's got me  
By the tail, Lord

You've got to bring me through  
'Cause there's nothing more I can do  
You've got to bring me through  
I leavin' it up to you

Bring me through, I've done all I can do  
You've got to bring me through  
I need you, oh, to bring me through  
I need you to bring me through

I need your power, Lord  
To quicken my soul

To come break the evil  
That's taken hold

You've got to bring me through  
'Cause there's nothing more I can do  
You've got to bring me through  
I leavin' it up to you

Bring me through, I've done all I can do  
You've got to bring me through  
I need you  
I need you, oh, to bring me through

I need you, you, you, you  
To bring me through  
I need you to bring me through  
Yeah, yeah, yeah, yeah
