When the water's too high  
When the water's too high  
I will carry you  
I will carry you

When the water's too high  
When the water's too high  
I will carry you  
I will carry you

I will carry you  
I will carry you  
I will carry you  
When the water's too high  
I will carry you

When the night is too black

When the night is too black  
I will carry you  
I will carry you

When the water's too high  
When the water's too high  
I will carry you  
I will carry you

I will carry you  
I will carry you  
When the water's too high  
I will carry you
