Raised with a Bible in your hand
You met your parents' strict demands
But now that sweet religious child
Is like a hurricane gone wild

And you're dancing
Dancing with danger
Lies from a stranger
Waltz inside your head

Oh, you've got your back to
The One who really loves you
But you can't stop because you
Can't see what's ahead

No liquor and no cigarettes
Are rules you're learning to forget
But it's not so much the outward part
'Cause God is looking at your heart

And you're dancing
Dancing with danger
Lies from a stranger
Waltz inside your head

Oh, you've got your back to
The One who really loves you
But you can't stop because you
Can't see what's ahead

You've danced yourself out on a ledge
Your dreams are falling off the edge
God never wanted it that way
He wants to shake your fears away

And you're dancing
Dancing with danger
Lies from a stranger
Waltz inside your head

And you've got your back to
The One who really loves you

You can't stop because you
Can't see what's ahead

And you're dancing
Dancing with danger
Lies from a stranger
Waltz inside your head

And you've got your back to
The One who really loves you
But you can't stop because you
