You hate your life, you've watched it fall apart  
Suicidal as you kill your broken heart  
But Jesus hurt and bled like you inside  
So save your life 'cause He already died

Whoa, when you think no one can feel your heart break  
You think no one can see your soul shake, oh but

He's gonna hear you crying  
He's gonna hear you crying  
He's gonna hear you crying

Yeah, He's gonna hear you crying  
He's gonna hear you crying  
He's gonna hear you crying

Take the blade and let the water run  
Find the vein and then you're almost done  
You don't really wanna bleed your life away  
You're scared to die but just too proud to say

Whoa, when you think no one can feel your heart break  
You think no one can see your soul shake, oh but

He's gonna hear you crying  
He's gonna hear you crying  
He's gonna hear you crying

Yeah, He's gonna hear you crying  
He's gonna hear you crying  
He's gonna hear you crying

Oh, He can feel your heart break  
Ooh, He can feel your soul shake  
Oh, yeah, yeah

He's gonna hear you crying  
He's gonna hear you crying  
He's gonna hear you crying

Yeah, He's gonna hear you crying  
He's gonna hear you crying

He's gonna hear you crying

He's gonna hear you crying

He's gonna hear you crying

He's gonna hear you crying
