This song is for everyone who said I was, programmed  
for wire and I'd self-destruct.  
They'd say I was destined to always be desperate  
Say I was destined to always fuck up.  
And I was voted the first one to crumble and break,  
I never have the chance - the biggest waste

But now I'm the one who's laughing last  
Because you're the one that keeps looking back  
You're the one that's, fading away.

So I say!  
This song is for everyone who said I was, programmed  
for wire and I'd self-destruct.  
They'd say I was destined to always be desperate  
Say I was destined to always fuck up.  
And I was voted the first one to crumble and break,  
I never had the chance - the biggest waste

But now I'm the one who's laughing last  
Because you're the one that keeps looking back  
You're the one that's, fading away.
