"Hamburger Hop"

Visit "[Hamburger Hop](#)" on MotoLyrics.com

Album : Goodbye blue and white (2002) Now if you want somethin' that's good and hot you can see 'em on the griddle just eat a hamburger it'll hit the spot makes you wanna do the boogie goin' flippety flop to the hamburger hop They're open up 24 hours a day put a burger on the griddle just waitin' and hopin' all the folks would say do a flippety flop and a pickle on top put an onion in the middle There just ain't nothin' finer, no You really should go ? the seasoning ? like the burger's always do nothin's quite so new because it's ? everybody's goin' to the hamburger stand do the flippety flop to the hamburger hop and they put 'em on the griddle everybody does the boogie
