Well I really don't know
If it matters at all so
But we try to keep the prices low
For our records and our shows
But is that
Is that enough
Or is (it) that we're not punk enough
Or is (it) that you think ska just sucks
(but) Johnny Quest, he thinks we're what?

[Chorus:]
Johnny Quest thinks we're sellouts, sellouts
Johnny Quest thinks we're sellin' out, (we're) sellin' out,
yeah
Johnny Quest thinks we're sellouts, sellouts
Johnny, yeah

Well I really don't know
If it matters at all so
But we try to keep the prices low
For our records and our shows
Does it matter
That you see our shirts
Besides going to school and going to work
Or that you think that ska just sucks
Johnny Quest, he thinks we're what?

[Chorus x2]

(He thinks we're sellin' out
Sellin' out [x5]
Yeah
Sellin' out [x6]
Yeah)
