(I met her in the morning, and my heart stood still
A doo ron ron ron, a doo ron ron
Somebody told me that her name was Jill
A doo ron ron ron, a doo ron ron
Yeah my oh my, yeah all the time
When I walked her home
A doo ron ron ron, a doo ron ron)

It's got me on the run, it's got my brain tied
It's got me down as the trains pass by
All these people crowding my sight
I wonder if my head was ever screwed on tight
Concrete buildings are all that I see
I used to never let it bother me
I used to never let it bother me
Last train, remember me

[Chorus:]

Walking past the cracks on 2nd street, watching
Lights and sounds the city doesn't sleep, and I say
Get this fucking city out of my brain, so I
Guess I'll have to wait for the last train
Remember me

Yeah, concrete buildings are all that I see
I used to never let it bother me
I used to never let it bother me
Last train, remember me

[Chorus]

Remember me
Last train, remember me
[x3]

Remember me
You gotta remember me
You gotta remember [x9]
Me, me, me, me, me
