You are the worst thing
I could believe in
The devil looks just like me
You know how to prey on yourself
You know how to pray to me
If i could pick one thing i did wrong
I probably wouldn't change a thing
If i did you'd see right through me

And drag me down again
If you think i am anything like you you're wrong
If you think there is anything left here you're wrong
If you think i am empty as you are you're wrong
If you think i am suffering for you or
