So i will, i'll be the one who's coming clean
With ever single thing
And all my thoughts in between

I wonder if anyone is just like me
A walking a talking catastrophe
Another story of dependency
I neve thought the face in the mirror would be me

Hey 911 to anyone
Hey 911 to everyone
Hey 911 to anyone
Im in a state of emergancy

Like a shot, like a shot without a chaser
Life's in a flash it moves way to fast
The most bitter pill you've ever tasted

I wonder if anyone is just like me
A walking a talking catastrophe
Another story of dependency
A neve thought the face in the mirror would be me

Im afraid of growing up and growing old
Afriad of the past and present
And what my future might hold

Hey 911 to Anyone
Hey 911 to everyone
Hey 911 to Anyone
Im in a state of emergancy

Hey 911 to Anyone
Hey 911 to everyone
Hey 911 to Anyone
Im in a state of emergancy

Im afraid of growing up and growing old
Afriad of the past and present
And what my future might hold

Hey 911 to Anyone

Hey 911 to everyone
Hey 911 to Anyone
Im in a state of emergency

Hey 911 to Anyone
Im in a state of emergency
Hey 911 to everyone
Im in a state of emergency
