This song is for everyone that said I was  
Programed, hardwired, that I'd self-destruct  
They'd say I was destined to always be desperate  
They'd say I was destined to always fuck up  
And I was voted the first one to crumble and break  
I'd never have a chance, the biggest waste

But now I'm the one who's laughing last  
Because you're the one that keeps looking back  
You're the one that's fading away

So I say  
This song is for everyone that said I was

Programed, hardwired, that I'd self-destruct  
They'd say I was destined to always be desperate  
They'd say I was destined to always fuck up  
And I was voted the first one to crumble and break  
I'd never have a chance, the biggest waste

But now I'm the one who's laughing last  
Because you're the one that keeps looking back  
You're the one that's fading away, fading away
