Don't call me Rich, don't call me George
Just call me Cheese that's who I am
Don't call me Rich, don't call me George
Just call me Cheese that's who I am

Don't call me Rich, don't call me George
Just call me Cheese that's who I am
And not Rich, not George just Cheese

Civilized until the keg runs dry
And we strive
To drink from nine to five
And then from five to nine

Always drunk and goeing crazy
Always drunk, going crazy
You better believe it

Don't call me Rich, don't call me George
Just call me Cheese that's who I am
Don't call me Rich, don't call me George
Just call me Cheese that's who I am
Don't call me Rich, don't call me George
Just call me Cheese that's who I am
And not Rich, not george just Cheese

Chesterfield, where the kegs never dry
It's always filled
Have another beer or 2
Have another beer or 2
And he'll show you his cheesed tatoo
Always drink, going crazy
You better believe it

Don't call me Rich, don't call me George
Just call me Cheese that's who I am
Don't call me Rich, don't call me George
Just call me Cheese that's who I am
Not Rich, not George just Cheese
