And I  
I wonder if you'd understand  
If I said I'll never go  
Never go along again,  
And if I told you all that I believe in  
And gave you all my reasons  
And always had an answer  
An honest answer for all of Them,

Sometimes,  
You just want to belong  
At any loss or any cost  
Sometimes,  
You just want to belong

Yeah I,  
I've made mistakes before  
But I just can't seem to remember them anymore,  
And I've followed everyone's lead before  
And I've made my own decisions,  
And I've never felt so strong before  
I've never felt so strong before,

Sometimes,  
You just want to belong  
At any loss or any cost  
Sometimes,  
You just want to belong

Yeah sometimes your best defence  
Is a good reminder of your common sense  
Oh yeah  
Sometimes,  
You just want to belong,

So strike a match  
And hope it lasts  
Here's following your own lead,  
Strike a match  
And hope it lasts  
Here's following your own lead,  
It's the path that I have taken (So strike a Match And

hope it lasts  
After all the contemplation Hers to following your own  
lead)  
It's the promise I have made (So Strike a match)  
I hope it lasts  
I hope it lasts

Sometimes,  
You just want to belong  
Yeah sometimes your best defence  
Is a good reminder of your common sense  
Oh yeah  
Sometimes,  
You just want to belong,
