This map hung up on the truck stop hallway door
is looking worn and I can hardly read it anymore
I feel like I'm a speck thrown on the map and
I can't help my urge to laugh, I never used to feel like
this.

Well I'm half awake and half a world away
all my past mistakes and every misspent day
I wouldn't have it any other way.

I'll try through my haze and half-shut eyes to
count up all the reasons why
I should be back at home tonight

Well I'm half awake and half a world away
all my past mistakes and every misspent day
I know I'll never change, I'll always stay the same
I wouldn't have it any other way
I wouldn't have it any other way
I wouldn't have it any other way

Gainesville rock city
Gainesville rock city
Gainesville rock city

Well I'm half awake, a world away
my past mistakes and those wasted days
I wouldn't have it any other way
I wouldn't have it any other way
