Happyman smiles almost every single day  
too numb to notice that he's walking in a haze  
put himself here and doesn't know what to do  
no, no, no  
Choked by the clock  
everything they put him through  
he's put himself here and he doesn't know what to do  
he doesn't know what to do  
no no no

I say, you say  
you say its work  
say its work all day  
yeah yeah yeah  
I say, you say  
you say its work all day (work all, work all day)  
yeah

Happyman smiles almost every single day  
too numb to notice that he's walking in a haze  
put himself here and doesn't know what to do  
no he doesn't know what to do  
Choked by the clock  
and everything they put him through  
put himself here and he doesn't know what to do  
he doesn't know what to do  
no no no

I say, you say  
you say its work  
say its work all day  
yeah yeah yeah  
I say, you say  
you say its work  
say its work all day  
you say its work  
say it's work all day  
you say its work (work all, work all day)  
you say it's work all day  
you say it's work all day

No matter what he does  
no matter where he goes  
it's the only thing  
the only thing he knows  
Happyman is mad at the world, oh yeah  
Happyman is mad at the world, oh yeah  
mad at the world, oh yeah  
he's mad at the world, oh yeah
