Can you build ?.
You know, its something
that keeps you sane.
And you can't explain what.
But you know, it's
what's left inside you.
And I know its something,
you know, its something
that keeps me sane.
And I can't explain why,
it's all I have,
left to hold on to.

And I say, that is every day.

you (you) know (know) what (woah-oh-oh-oh)
it means to me.
It's just a reason to wait.
From the something that keeps me sane.
I have a reason to wait
(Woah) Wait.
I have a reason to wait.
From the something that keeps me sane.
I have a reason to wait.

Can you build ?.
You know, its something

that keeps us sane.
And you can't explain what.
But you know, it's
what's left inside you.
And I know its something, (Woah---)
you know, its something (--oh---)
that keeps us sane.
And I can't explain why,
it's all I have,
left to hold on to.

And I say, that is every day.

schemes (schemes)

you (you) know (know) what (woah-oh--)
it means to me. (---oh-oh)
It's just a reason to wait.
From the something that keeps me sane.
I have a reason to wait
Wait.
I have a reason to wait.
From the something that keeps me sane.
I have a reason to wait.
