"My Very Own Flag"

Something that's inside of me
it's something that I cannot see
like rules and regulation(s)
passed down for generation(s)
for generation(s)

Chorus:

Wish I had my own
wish I had my own
my very own
my very own flag
wish I had my own
wish I had my own
my very own
my own flag

Something that's inside of me
it's something
it's something that I cannot see
like rules and regulation(s)
passed down for generation(s)
for generation(s)

And as I walked away
I could hear you say
"I wish that I had my own flag"

(Chorus)
