So I will, I'll be the one who's coming clean
Yeah, with ever single thing
And all my thoughts in between
I wonder if anyone's just like me
A walking, a talking catastrophe
Another story of dependency
I never thought the face in the mirror would be me

Hey 911 to anyone
Hey 911 to anyone
Hey 911 to anyone
I'm in a state of emergency

Like a shot, like a shot without a chaser
Life's in a flash, it moves way too fast
The most bitter pill you've ever tasted
I wonder if anyone's just like me
A walking, a talking catastrophe
Another story of dependency
I never thought the face in the mirror would be me

I'm afraid of growing up and growing old
Afraid of the past, the present
And what my future might hold

Hey 911 to anyone
Hey 911 to anyone
Hey 911 to anyone

I'm in a state of emergency

Hey 911 to anyone
Hey 911 to anyone
Hey 911 to anyone
I'm in a state of emergency

I'm afraid of growing up and growing old
Afraid of the past, the present
And what my future might hold

Hey 911 to anyone
Hey 911 to anyone

Hey 911 to anyone
I'm in a state of emergency

Hey 911 to anyone
I'm in a state of emergency
Hey 911 to anyone
I'm in a state of emergency
