It's 4:00 a.m.  
And I just passed the westside buildings, all the broken  
glass  
As I try to shake the cold away, but anyways,  
It's late at night and I'm about to crack  
And decide to just walk the tracks  
That I just walked yesterday

I check the time, It's 4:00 a.m.  
And I just passed the westside buildings, all the broken  
glass  
As I try to shake the cold away, but anyways,  
It's late at night and I'm about to crack  
And decide to just walk the tracks  
That I just walked yesterday
