There's not a doctor that can fix me
My disease is chronic and I've lost all self-control
Have you ever had your heart ripped out your throat?
Anxious and all alone, now stop and remember we're
only human

I've tried it all to kill the pain
But nothing keeps me sane

And I'll pretend that I'm stable
I'm left, lost and labeled
I'll pretend that I'm doing fine
And I'm so out of focus
I'm hopelessly hopeless
I'll pretend that I'm doing fine

There's not a pill that can make me happy
My complains nescient and I've lost touch with my soul
Have you ever had your words choking your throat?
Another thought up in smoke, now stop and remember
we're only human

I've tried it all to kill the pain
But nothing keeps me sane

And I'll pretend that I'm stable
I'm left, lost and labeled
I'll pretend that I'm doing fine
And I'm so out of focus
I'm hopelessly hopeless
I'll pretend that I'm doing fine

I've tried it all to kill the pain
But nothing keeps me sane

And I'll pretend that I'm stable
I'm left, lost and labeled
I'll pretend that I'm doing fine
And I'm so out of focus
I'm hopelessly hopeless
I'll pretend that I'm doing fine

I've tried it all to kill the pain
But nothing keeps me sane

And I'll pretend that I'm stable
I'm left, lost and labeled
I'll pretend that I'm doing fine
And I'm so out of focus
I'm hopelessly hopeless
I'll pretend that I'm doing fine
And I'll pretend that I'm doing fine
And I'll pretend that I'm doing fine
