These are all reasons why
I'll be exploding tonight
and why this chip on my shoulder
feels like a mile wide
it's from the overwork
overtime compromise

[Chorus:]

So I'm looking tonight
for some peace of mind
maybe then I'll find
Some strength inside
'cause I've lost any hope of ever changing
I'm a short fuse burning [x2]

And remember who I
who I used to be
Because this one-trick pony's
so strung on routine
yeah, stuck on repeat
like you wouldn't even believe

[Chorus]

Hey, everybody don't forget me
Forget me
Hey, everybody don't forget me
I forgot who I used to be
And I'm a short fuse burning
I'm so close to exploding
So everybody don't forget me
I forgot who I used to be

[Chorus]

Hey, everybody don't forget me
Forget me
Hey, everybody don't forget me
I forgot who I used to be
And I'm a short fuse burning
I'm so close to exploding
Hey, everybody don't forget me
I forgot who I used to be
