Speech:

So Now without any further ado
Let me introduce the man of a million noises
THE SOUND MAN...

I always thought of music as more than words and
sounds

Something more like inspiration that
Always comes and picks me off the ground
Yeah yeah yeah it gets me off the ground

And I always thought that music yeah yeah
It?ll pull you through
And then I hear the music yeah yeah
It?ll pull you through

Yeah soundcheck to an empty room
To an empty room to an empty room
Soundcheck to an empty empty room
And I always thought of music as more than words and
sounds

Something more like inspiration that
Always comes and gets you off the ground
Yeah yeah yeah it gets you off the ground

And I always thought that music yeah yeah
It?ll pull you through
And then I see the music yeah
It?ll pull you through

Soundcheck to an empty room
An empty room to an empty room
Soundcheck to an empty
To an empty room

Soundcheck to an empty room
To an empty room to an empty room
Yeah soundcheck to an empty room
To an empty room to an empty room
Yeah soundcheck to an empty room
To an empty room to an empty room

Soundcheck to an empty
An empty room oh

2 3 4
To an empty room
To an empty room
To an empty room
Yeah to an empty room
