I've been down
Wandering past 2nd Street
And looking at the ghosts of you and me
And thinking back on all those memories
Of how we used to be

I've been hearing
I hear those voices over the noises of the breaking
glass
And all those plans we had to get us through
They're never coming true

And I hope and hope that you won't forget
And I'm hoping... Hope you know that
I can clearly see the ghosts of you and me
And I'm just a moved on memory
And you're still alive
And I'm still getting by
On these dead end streets
The ghosts of you and me

I'm still talking
I talk of what we'll do to the ghosts of me and you
And I'm still looking back into the past
When we were all we had

And I hope and hope that you won't forget
And I'm hoping... Hope you know that
I can clearly see the ghosts of you and me
And I'm just a moved on memory
And you're still alive
And I'm still getting by
On these dead end streets
The ghosts of you and me
The ghosts of you and me
The ghosts of you and me

I hope you won't forget
I hope you know that I'll always regret
Those things I've said

I hope you know that I can clearly see

The ghosts of you and me
'Cause I'm just a moved on memory
And you're still alive
And I'm still getting by
On these dead end streets
The ghosts of you and me
The ghosts of you and me
The ghosts of you and me
The ghosts of you and me
