[Originally by The Outfield]

Josie's on a vacation far away
come around and talk it over
so many things that I want to say
you know I like my girls a little bit older

[Chorus:]

I just wanna use your love tonight
no, I don't wanna lose your love tonight

I ain't got many friends left to talk to
no one's around when I'm in trouble
you know I would do anything for you
stay the night, we'll keep it undercover

[Chorus]

Try to stop my hands from shakin'
'cause somethin' in my mind's not makin' sense
it's been awhile since we've been all alone
can't hide the way I'm feelin'

As you're leaving please would you close the door
and don't forget what I told you
just 'cause you're right don't mean I'm wrong
another shoulder to cry upon

[Chorus]

Tonight
tonight
