It's a risk you take when you're try'n to make your break

### Verse 1

You look worried I can see it in your face  
I see the cracks in the ice  
You're in such a hurry wish you were in another place  
Well it's a sacrifice

### Pre Chorus

You can't come to me for sympathy  
You knew the rules of the game  
Before the start of play  
Get it together babe  
It's risky bizness

### Chorus

This is it this is it, that's what it's all about  
This is it this is it, Oh Oh  
This is it this is it, It's risky bizness

### Verse 2

You can't call your Mummy and your Daddy don't know  
your name  
You really burned your bridges this time  
It all looks so yummy, all that fortune and fame  
Can't find a reason a rhythm or rhyme

### Pre Chorus

### Bridge

You pussy foot around  
You're putting people down  
You think you'd learn your lesson  
And stop your messin round, oh oh oh oh  
You pussy foot around  
You're putting people down

You think you'd learn your lesson  
And stop your messin round, oh it's Risky Bizness

Verse 3

You been knock'n em down, you been fly'n so high  
You think you earned yourself a God given right  
Well I'll be lock'n you out, ooh you just missed your ride  
Come and do it your self this time
