Beyond mind lies consciousness
Beyond feelings is the truth
Beyond deeds lies results
Carrying it all to the next step

Beyond sensation lies the soul
Beyond death is a new you
Beyond life lies a dead star
Procreating it all over again

They all come out to the question why
None of the words is availing
Set aside the answers you seek
Living is beyond the meanings

Beyond amity lies fondness
Beyond hatred is to recall
Beyond love is the remembrance
Emerging when it's dark and lone

Beyond art lies pursuit
Beyond labor are burdens
Beyond evolution is violence
Always for more till it's all run out
