I believe, i believe

Nowhere to run, nowhere to hide
I see your eyes that move and hypnotise
I am the one, i recognise
Its a familiar game that i despise
Now theres you, somebody new
I set my sights so high and play the fool
Looking good to me, but the lights so bright
That i cannot see

But theres no doubt about it, i can live without it

I believe, sooner or later
I believe, one day you'll change
I believe, you'll realise theres a love deep inside
I can tell by the look in your eyes

Your innocence, is your disguise
So i surrender to those smiling eyes
That fatal charm, i cant describe
Its just the face behind the veil that tells the lies

But theres no doubt about it, i can live without it

I believe, sooner or later
I believe, one day you'll change
I believe, you'll realise theres a love deep inside
I can tell by the look in your eyes
Like a window you're the same, i see right through you

I believe, sooner or later
I believe, one day you'll change
I believe, you'll realise theres a love deep inside
I can tell by the look in your eyes

I believe, sooner or later
I believe, one day you'll change
I believe, you'll realise theres a love deep inside
I can tell by the look in your eyes
(repeat to end)
