Hey ! Don't I know you..?

Hello my friend, could it be true
Are you the same little girl I knew ..?
Do you recall, It wasn't such a long long time ago

I wanna know all about every single
Little thing you've done, Tell me where
You've been...

Seventeen..Look at you now
You've got a hold of my heart
Never let me go
Seventeen..Look at you now
Keep a hold of my heart
Cos I love you so.. seventeen (oh yeh)

Look back in time, what do you see
Do you remember how it used to be.. ?
I was your flame, I could never
Think of you that way

Cos everything changed so fast
That was then but this is now
What a fool I've been

Seventeen..Look at you now
You've got a hold of my heart
Never let me go
Seventeen..Look at you now
Just keep a hold of my heart
Cos I love you so...seventeen..(yeh yeh yeh yeh)

We could take it fast
We could take it slow
Now our time has come
Here we are and here we go

Seventeen..Look at you now
You've got a hold of my heart
Never let me go

Seventeen..Look at you now
Just keep a hold of my heart
Cos I love you so
Seventeen..Look at you now

(Seventeen seventeen, look at you, you got a hold of
my heart)
Never..Let me go (seventeen)
