Sleeping storm break of dawn got to get
To where ive gotta be in your arms girl
Nice and warm girl by my side
All the more i am sure i adore the smallest
Part of you, cant conceal it will reveal it
More and more

So please be mine tonight
Please be mine tonight

For its a shame, shame, shame
To end the day going seperate ways
Its the same, same, same
We're all just romeo and juliettes it seems

Dont you know, turn me on, cant you see
You're deep inside of me, i can feel it
As you're breathin', you are me, hey hey
Jeg Elsker Dig - L'amour her, Liebe Dich her
I love you

So please be mine tonight
Please be mine tonight

For its a shame, shame, shame
To end the day going seperate ways
Its the same, same, same
We're all just romeo and juliettes it seems

Somebody told me romance was a thing of the past
Well theres somethin' that you should know
Its a shame

Its a shame, shame shame
To end the day going seperate ways
Its the same, same, same
We're all just romeo and juliettes it seems

Its a shame, shame, shame
To end the day going seperate ways
Its the same, same, same

We're all just romeo and juliettes it seems
