You super sexy real thing
Turn me on
You super sexy real thing
Do me good
Turn me on

Im looking out for something wild
To take away my bitter sweet desire
Its physical, funky, magical
You're my dirty dream
So make it come true
You got no reason to be
So offended by me
Please excuse me if im coming on strong
I dont care if friends are
People in high places
Just you come on strong

You super sexy real thing
Turn me on
You super sexy real thing
Come on strong
You super sexy real
Get it on
You super sexy real thing
Turn me on

Im going down as sweet as honey
Forget your mama taught you right from wrong
Its chemical, biological
I cant resist your charms

You super sexy real thing
Turn me on
You super sexy real thing
Come on strong
You super sexy real thing
Get it on
You super sexy real thing
Turn it on
And on you'll get me

So come on and get it

My mama told me
Come on sexy real thing
Come on sexy real thing
You super sexy real thing
Turn me good
You super sexy real thing
Turn me on
You super sexy real thing
Come on strong
You super sexy real thing
Get it on
Turn me on
Real thing, turn me on
