No I don't wanna be in love anymore
'Cause I don't wanna lose you

These memories used to mean, everything to me
But I can't (I can't)
No I don't wanna be in love anymore
I can't stop, what I
Can't stop, but I
No I don't wanna be in love anymore

You should know by now you're my heart, my soul
You're where I start and where I'll go
'Cause we've been through worse than this
Yeah, I'll be gone for a minute, but don't forget
All the saturday nights, gathering inside the attic tight
We didn't know what we were doing but you said we'll
be alright
Butterflies, my hands were shaking
Better love that we were making
Take a breath, let it out
Another night, another doubt

These memories used to mean, everything to me
But I can't (I can't)
No I don't wanna be in love anymore
I can't stop, what I
Can't stop, but I
No I don't wanna be in love anymore

We flip through pages of thought
Second-guess if what we're doing all worth doing or
not
'Cause sometimes you gotta fight for what you really
believe
But sometimes you just let go and don't forget to let
your heart beat

These memories used to mean, everything to me
But I can't (I can't)
No I don't wanna be in love anymore
I can't stop, what I
Can't stop, but I

No I don't wanna be in love anymore

All those nights
On the phone when you said, boy I'm lonely
Come over
(No I don't wanna be in love anymore)
You taught me how to sweat, let the mic do the rest
When I wake up, I wonder where the time went

Believe me when I say girl, this ain't so easy for me
We made sacrifices, do what we do with hopes of
something better
'Cause I don't wanna lose you, but girl I can't let this go
And so...

No I don't wanna be in love anymore

These memories used to mean, everything to me
But I can't (I can't)
No I don't wanna be in love anymore
I can't stop, what I
Can't stop, but I
No I don't wanna be in love anymore

Tonight I'm chasing dreams, and leave you chasing me
If you're not here, No I don't wanna be in love anymore
Tonight I'm leaving home and it hurts but, I know we're
gonna make it
That's why I say, that I don't wanna be in love anymore
