The sky looks pretty normal
And so do the trees
I woke up pretty early
And I could see

Yeah I've been walkin'
I've been thinkin'
I've been lookin' at you
Sideways
Yeah I've been movin'
I've been dreamin'
I've been lookin' at you
Sideways

I have no problems
Dipping in my feet
But the trouble comes when I have to jump
And all the reasons not to
Seem pretty good

'Cause I've been walkin'
I've been thinkin'
I've been lookin' at you
Sideways
Yeah I've been movin'
I've been dreamin'
I've been lookin' at you
Sideways

Do do do do (x3)

I've been walkin'
I've been thinkin'
I've been lookin' at you
Sideways
Yeah I've been movin'
I've been dreamin'
I've been lookin' at you
Sideways
