Soon your time will come  
To leave the mortal realm  
You will travel from  
This world and into hell

Death will come for you  
There's nothing you can do  
Eventually your life is through

Towards the unknown  
You will walk alone  
Decay, paling bones  
Left behind when you

DIE  
BY the  
BLADE of the  
REAPER  
DIE  
BY the  
BLADE of the  
REAPER  
Die by the blade of the REAPER

The sands of time are gone  
Your heart will beat no more  
You won't see another dawn  
Your body now a corpse

Death has come for you  
He raises his scythe to the air  
Falls back down as you cry in despair  
With one single sweep  
The Grim Reaper reaps  
Your soul His to keep  
Now you will burn in hell for all time

Solo: Bob

Now your time has passed  
You've left the mortal realm  
You have travelled past

This world and into hell

Hell - forever burn  
Tortured for all time  
Rot away shunned by the divine

Towards the unknown  
You have walked alone  
Decay, paling bones  
Left behind when you've

DIED  
BY the  
BLADE of the  
REAPER  
DIE  
BY the  
BLADE of the  
REAPER  
Die by the blade of the REAPER
