[Lethal Bizzle]

Yo, I want everything
I wanna be a star
I want twenty girls
I want twenty cars
I want a strip club
I want a mansion
I want my own jet
I want a phantom
I want Beyonce, Alisha Dixon
I want a Las Vegas addiction
Win the black jack, win the poker
I wanna be an ace, no, not a joker
I'm not a smoker, I'll have a drink, though
I love a gamble, but not bingo

I like Campbell, yeah, naomi
I like kelly brook, when's she gonna phone me?
I like Ibiza, I like tequila
A little bit of shesha, don't smoke reefa
I turn the good girl into a freaka
Don't believe me, come, I'll teach ya, teach ya
Teach ya, teach ya, teach ya

[Luciana]

Lethal Bizzle, let's go, go, go
Got them super model bitches into oh, oh
Rock the jet to Ibiza so let's roll
Watch them girly girls go gidgy to this
So, let's go, oh, oh

[Lethal B]

Uh, oh, uh oh
Let's go, baby
Me and you plus two
Drove me crazy

[Luciana]

Letha Bizzle
Let's go, go, go
Go, go, go

Go, go, go
Go, go, go
