It's a shame that we had to go  
Where we goin now we'll never no, oh boi  
I wanna spend my whole life with you  
Now your gone I don't know what to do  
It's a shame that we had to go  
Where we goin now we'll never no, oh boi  
I wanna spend my whole life with you  
Now your gone I don't know what to do

Feelin stupid try take Lethal B for a prick  
Said sorry that was it nah bitch it aint it  
I didn't want a relationship from the start  
But some girl like you comes and runs off with my  
heart  
Ok you told me secrets got some to tell you  
I bin fukin other bitches since the day I met you  
You said your not a hoe, how are you not a hoe  
I thought you didn't go low, go low equals hoe right girl  
I remember one time you phoned me I was back shottin

You said what's that noise and I said it was the TV  
The bitch believed me she's so easy  
The bitch pleaded me coz it woz never you and me

Don't get me wrong she was very very fit  
Only thing she had you had saggy tits bitch  
Stretch marks on her hips dick sukin lips  
Any time I rid her I tell her bitch take a dip  
I always tried to juice one of her friends though

Nah she was a sweat version of J-Lo  
Yeah she was on it hoe Lisa told me so  
She linked a guy in North West yeah coz she's bangin  
bredrin  
Then again I'm a little bit of a G  
She got navigation DVD TV for the GT  
She said she loves me, and always bugs me  
She'd do anything in the world just to please me  
She loves to go down south  
She works better when she tastes tasha in her mouth  
Ok ok I'll stop say please no please iight den bitch get  
back on your knees

It's a shame that we had to go  
Where we goin now we'll never no, oh boi  
I wanna spend my whole life with you  
Now your gone I don't know what to do  
It's a shame that we had to go  
Where we goin now we'll never no, oh boi  
I wanna spend my whole life with you  
Now your gone I don't know what to do  
It's a shame that we had to go  
Where we goin now we'll never no, oh boi
