OOWWW now I'm back on the map,  
Yeh and I don't mean to be rude,  
I'm a? but I'm eating all the food,  
Patiently waiting for a long time,  
A little to long so I take the? and here I go,  
Another hit tune for the scene,  
My ting is back on the screen,  
You don't really wanna try bring it to the team,  
Cos no, no, no see,

The real kids back on the block at last.
