We used to be happy
What a thing to chase (a thing to chase) oh
My heart is all broken
Yeah Well I'm sad better when you look at my face
Don' tell me "No" I'm done (tell me no I'm done..)
Don't tell me I'm the only one
Let's...

Break up
You seem to have enough
I'm sick and tired of watching the good go bad
Watching the good go bad (yeah let's..)
Break Up
You see I've had enough
I'm sick and tired of watching the good go bad
Watching the good go bad
And I'm not coming back

yeah yeah yeah yeah ou...yeah yeah yeah yeah

Turn out the loud static
Cuz it's killin my ears (killin my ears) oh
Well I'm not one to panic
So I'm shaking it off and getting rid of these fears
Don't tell me it's the end (tell me it's the end)
No I don't wanna go through that again (nuh uh)

I don't wanna go through that again...LET'S...

Break up
You seem to have enough
I'm sick and tired of watching the good go bad
Watching the good go bad (yeah let's..)
Break Up
You see I've had enough
I'm sick and tired of watching the good go bad
Watching the good go bad
And I'm not coming back

(yeah I'm)

We used to be happy

What a thing to chase
We used to be happy
What a thing to waste

yeah yeayah Let's...

Break up
You seem to have enough
I'm sick and tired of watching the good go bad
Watching the good go bad (yeah let's..)
Break Up
You see I've had enough
I'm sick and tired of watching the good go bad
Watching the good go bad
And I'm not coming back
