Ooh I can make ya rock it  
Oh I can make ya drop it  
Rock it Drop it pop it don't stop it  
In the club tonight  
Chorus  
Keep it going just don't stop  
'Cuz you know what it takes  
What'll make me drop  
Down to the ground  
And shake it all around  
You keep it going get right down  
(GET RIGHT DOWN)  
I know what'll make ya  
Or maybe break ya  
I gotta shake ya  
Just for the fun  
Make it don't break it I know  
you're gonna shake it  
Whoa oh oh YEAH  
(Chorusx2)  
I need you  
You need me  
I'm having fun why can't you see  
What you need to do to make me  
ALRIGHT  
(Chorus)  
Keep it Keep it keep it keep it  
Goin all night long
