[Cheyenne]

Baby, you've been wondering why I'm feein' so blue
And I don't even understand why I love you
And in my heart, I wish that you would be true
And if you weren't in my life, boy, I don't know what I'd
do
And when it all starts goin' down, you know that I will be
around

And if you love me, then tell me all of the time
And can I love you?
I want to
I wanna try

Because, when you're gone I feel alone
And when I have you I know it will be wonderful
It will be wonderful.

[Josh]

Tell me, girl, why does everything have to turn into a
fight?
Everything was goin' good
Well, you started askin' why, babe
And I showed you my love everything felt so right
You know what I want is to be by your side, the timings
not right
And when it all starts goin' down, you know that I will be
around

[Cheyenne and Josh]

And if you love me, then tell me all of the time
And can I love you?
I want to
I wanna try

Because, when you're gone I feel alone
And when I have you I know it will be wonderful

[Cheyenne]

And if you wanna break my heart, just let me know
Let me know

[Josh]

And if you wanna break my heart, just let me go

[Cheyenne]

Let me go

[Cheyenne and Josh]

And if you love me, then tell me all of the time

And can I love you?

I want to

I wanna try
