Huh... yeah
Yeah...
Uh huh...
Yeah
Uh huh... yeah
Uh huh... yeah
Uh huh... yeah
Uh huh... yeah

I got you open baby
I know you like what you see
You're looking at my body
Tryin' to sneak upon me
I peeped you staring
From the time I walked through the door
I know you want me but
I came to hit the floor

All the boys in the club
Rock with me
All the girls' body rock
If you feel me
Cause tonight is the night
For me to shine and do it right
All the boys in the club
Rock with me
All the girls' body rock
If you feel me
Cause tonight is the night
For me to shine and do it right

(Cause I'm feeling like)
All eyes
On me
And I know that you
Want a piece of me
(I'm feeling like)
All eyes
On me
The way my body moves
Is making you crazy
Oh!

I got you feenin' for me
And you want me baby
I got you in the mood
It's gettin' hard, just shake it
You're telling me
You've never met a girl like this before, huh
I got you wanting more
And you can't ignore

All the boys in the club
Rock with me
All the girls' body rock
If you feel me
Cause tonight is the night
For me to shine and do it right, oh
All the boys in the club
Rock with me
All the girls' body rock
If you feel me
Cause tonight is the night
For me to shine and do it right

(Cause I'm feeling like)
All eyes - All eyes
On me - mmm...
And I know that you - I know that you
Want a piece of me - piece of me
(I'm feeling like)
All eyes - all...
On me - on me
The way my body moves - my body moves
Is making you crazy

All the boys in the club
Rock with me
All the girls' body rock
If you feel me
Cause tonight is the night
For me to shine and do it right
All the boys in the club
Rock with me
All the girls' body rock
If you feel me
Cause tonight is the night
For me to shine and do it right

All eyes
On me
And I know that you
Want a piece of me

(I'm feeling like)
All eyes
On me
The way my body moves - my body moves
Is making you crazy - uh... hey

All eyes - nana nana
On me - nana nana
And I know that you - nana nana
Want a piece of me - nana nana
(I'm feeling like)
All eyes - nana nana
On me - nana nana
The way my body moves - nana nana
Is making you crazy - nana nana

All eyes
On me
And I know that you
Want a piece of me
