LeToya - Don't Let Me Get Away (iTunes Bonus) (Prod. By Ron "Neff-U" Feemster) - Lady Love Album 2009

YOU, Look At You
Doing everything you said you'll never do (never do)
Now what do we do
Am i a fool
Dont you remember all the things that we've been
through (We been through)

Cause baby you fought so hard
Hoping to win my heart
Now your letting it fall apart (forever will be)

You say forever (forever), maybe together (together)
Baby baby babe, Don't let me get away (don't let me
get away)
Boy it was you and me forever, Together
Ever be together, Where ever
baby baby babe, Don't let me get away (don't let me
get away)

Don't let me get away (don't let me get away x2)

Don't let me get away (don't let me get away)

Baby Baby Babe, Don't Let me get away (don't let me
get away)

What would you do
If i ever was to leave you
It would kill you to see me with somebody else
You dont wanna do that to yourself
Baby let me help you
Figure out your next move
Imma take my heart back off the shelf
Hope it dont end up with someone else

Cause baby you fought so hard
Hoping to win my heart
Now your letting it fall apart (forever will be)

Forever will be

You say forever (forever), maybe together (together)
Baby baby babe, don't let me get away (don't let me
get away)

Boy it was you and me forever, Together
Ever be together, Where ever

Baby baby babe, Don't let me get away (don't let me
get away)

Don't let me get away (don't let me get away x2)
Don't let me get away (don't let me get away)

Baby Baby Babe, Don't Let me get away (don't let me
get away)
