Chorus:

(I'ma queen)

True religion on the pocket of my jeans

(I'ma queen)

Can't see me in your dreams

And I'm everything, everything, that you wanna be

(I'ma queen)

Keep tryna to play me

(I'ma queen)

I can be the chick riding with you in ya whip

And I'm gon be that chick rocking all the latest...

And youza lame if you ain't hip to this

So don't be looking mean, baby say it, I'm the queen

1st verse:

Uh... baby don't get it twisted

I was doing this way before I had my own business

Uh... and you think I'm tripping

And no you can't hit but you can put me on your wishlist

Or maybe save me for christmas

Then we can do it up real big

Now I'm just telling you the business

It's up to you what you do with it

Chorus

2nd verse (samples bobby valentino):

Slow downnnnnnnnn

Cause you really don't know me

Don't turn arounddddddd

Keep it moving cause you really don't know me

I can't slow downnnn

Cause everywhere I go they eyes on me

Slow downnnnnnnnn

Why you looking so hard you must want me

Chorus

3rd verse (repeats oh I think they like me like the song):

Oh I think they like me when they see me in the king

And ooh I think they like me when they see me doing  
my thing

And ain't too many classy ladies out here on the scene  
Might as well my paper swell  
(Time fly baby you can't tell?)  
And ooh I think they like me when they see me on the  
road  
And that's when I can say for sure they like me even  
more  
Now look I'm just telling you the business  
It's up to you what you do with it

Chorus til end
