[Intro:]

Ooooh

Ooooooooooh

But I'm not gon' cry about it

No more... no more

Oooohh

Ooooooooooh

But I'm not gon' cry about it...

[Verse 1:]

Think it over, think it over

When you walked out, I should have told ya

That I was half-sleep, half-deep

In an argument that started

When I wanted to know why

You never came over

You said you would come by

I looked for your Rover

But no sign of you all night

No call to let me know what happened

You was actin' like I got no right to be askin'

There you go back out the door

Leaving me lonely like you did before

But I ain't gon' cry no more

[Chorus (ad-libs in parenth.)]

Ooooooooooh

You know how I feel about you

Don't think I can live without you

But you take advantage of me (ohhh nooooo)

Oooooooooooh I'm so sick of bein' doubted

But I'm not gon' cry about it

(I'm not gon' cry no more) No more... no more

Oooohh

You know how I feel about you

Don't think I could live without you (you know how I feel
for you)

But you take advantage of me (baby)

Ohhhhhh

I'm so sick of leaving

(But I'm not gon' cry about it)

No more

[Verse 2:]

It's been a long time
Been a slow climb
And I made it, but I hated
Being treated like a burden
When I needed you, you seemed like
You were always there too late
If you came at all
Too much on your plate
To answer my phone calls
Nobody knows the trouble with loving you
The way I do, but what can I do
There you go back out the door
Leaving me lonely like you did before
But I ain't gon' cry no more

[Chorus ad-libs]

You know how I
Feel about ya
You can't take advantage
See, I'm so sick and tired
No moreee
Ooooh whoaaaa
Don't think I can live
But I got to do better
So sick... but I'm not gon' cry
(No more) No more

[Bridge:]

There will come a day
I'ma find a way
A way to live without you
(Ooooh)
I'm so sick of all the pain
All the hurtful things you say
No more lies why can't you tell the truth
(Ooooooh)
My poor heart ya breakin'
And I keep taking all this unnecessary
Pain from you
(Ooooh)
Baby can't you see you're hurtin' me
I just wanna love you
But I'm not gon' play the fool no moreee

[Chorus til end]

[Ad-Libs]

Nooooo
Don't think I can live without you

So sick and tired
Of you drivin' me crazy
Ohh ohhh
Said you know how I feel about you baby
And you know how you're driving me crazy
Ohhhh whoaaaaaa
I'm not gon' cry no moreee (No more)

Ohh nooo... ohhh noooo noo
No, I don't think I can live without you
Baby... I'm not gon' cry... No more...
